

Sorting Cards

Directions: You are given 38 boxes that all have different descriptions. You are to work as a group to sort them into the four categories listed below. Some descriptions, for example, “nationality”, might fit into multiple categories like #1 and #2. All of the boxes must be assigned to at least one category to complete the task. Shade the boxes according to the color for each category.

- Share with the world = green
- Share with friends = light blue
- Share with family = orange
- Share with no one = pink
- More than one category = yellow
